1. INTRODUCTION

- 1.1 For the purpose of this policy, the “school” is defined as employees, governors, pupils and third parties such as contractors, agency workers and consultants acting on behalf of the organisation.

At Elms Bank we are committed to closing the attainment gap between pupils from poorer and more affluent backgrounds, and ensuring that every young person participates in, and benefits from, a place in 16-19 education and training.

We are dedicated to:-

- Distributing 16-19 bursaries via a fair and equal process that is transparent, accountable and easily understood.
- Ensuring that information regarding the application, award and administration of 16-19 bursaries is publicly available via the school website and main school office.
- Widening access to, and participation in, sixth form education.
- Monitoring and reviewing our policies to ensure effectiveness.
- Setting high targets and objectives to develop a culture of continuous improvement.
- Ensuring adequate resources are available to implement policies, as much as is reasonably practicable.

2. WHAT IS BURSARY FUND?

The 16-19 Bursary Fund is a scheme to help young people facing financial hardship to stay in full time education. For eligible students, the fund can help towards the cost of essential course related costs such as travel to school, equipment, books, essential trips, school clothing and attending college/job interviews. It applies to expenses during the current year.

3. ELIGIBILITY

The Bursary Fund has two elements:-

3.1 Vulnerable Bursary

A vulnerable bursary may be available to students who fall into one of the vulnerable groups identified below and who are eligible to receive assistance which is normally up to the value of £1 200 per year.

Vulnerable groups

- (i) Young people in care
- (ii) Care leavers
- (iii) Young people in receipt of Income Support, or Universal Credit

because they are financially supporting themselves and someone who is dependent on them and living with them such as a child or partner

- (iv) Young people who are receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right
- (b) Funding is held centrally by the Student Bursary Support Services (SBSS) and schools will draw down funding.
- (c) Schools are responsible for identifying and assessing a young person's eligibility.
- (d) Evidence to support the application will be needed, such as a letter setting out the benefit to which the young person is entitled or written confirmation of current/previous 'Looked After' status from the relevant Local Authority, or their Leaving Care Review Document.
- (e) In addition, if other barriers are identified, learners assessed as being eligible for the discretionary element can also request financial assistance. This could be for clothing, meals, transport, equipment etc. Some students who are eligible for a Vulnerable Bursary may also be eligible for a Discretionary Bursary.

3.2 **Discretionary Bursary**

Elms Bank will ensure that discretionary funding is allocated to the students who are most in need of financial support. This may be awarded on an identified needs basis and at Elms Bank's discretion to cover costs such as books/equipment, transport, meals, accommodation, exam re-sits fees and other miscellaneous items associated with being in learning and will meet the following assessment criteria:

- (a) Applicants must be under 19 on 31 August of the academic year in question
- (b) Applicants aged 19 or over on 31 August of the academic year in question must have an Education, Health and Care Plan (EHCP)
- (c) Applicants 19 or over on 31 August of the academic year in question must be continuing on a study programme that they began aged 16-18
- (d) Evidence of household income below £25,000 must accompany the application prior to assessment. As each application is individually assessed, there may be some flexibility, e.g., consideration would be given to the number of dependents in a household
- (e) Based on the information received and if financial hardship is identified, the learner may be provided/reimbursed with:
 - (i) Contribution towards meal expenditure in the school canteen
 - (ii) Re-imbursment of travel costs upon submission of evidence. e.g. travel tickets/weekly pass

(iii) Other as mentioned above

- (f) Where possible, Elms Bank will purchase the necessary resources on behalf of the students. In extreme circumstances the school may arrange for the award to be paid directly into the student's bank account.

4. WHO IS ELIGIBLE TO APPLY?

4.1 To be eligible to apply for the fund, students must:
