Specialist Provision

College

Nurture Pathway

KS3 and KS4 The Art curriculum is tailored to reflect the ability of the group and the individual needs of the pupils. Teachers will follow the appropriate Schemes of Work, for example, pupils will follow the Inspire or Explore Schemes of Work if appropriate for their ability. The curriculum will also take account of individual pupils' SaLT targets.

Thrive Pathway

KS3, KS4 The Thrive Pathway has a bespoke curriculum which focuses on the development of pupils' communication and needs. Please refer to the Thrive Long Term Plan for a full overview of themes covered.

Specialist Provision

KS3, KS4 , Specialist Provision has a bespoke curriculum which focuses on the development of pupils' communication and literacy needs. The curriculum is tailored to reflect the interests and ability of the group and the needs of individual pupils.

KS5 Please refer to the SP Long Term Plan for a full overview of themes covered.

KS3 – pupils follow the Explore Pathway with a focus on key skills and communication, to support the developmental needs of our pupils with ASD.

KS4 -Students continue to develop their skills through Arts Award Discover. Students will also continue to work towards, and develop their skills in communication. Please refer to the KS4 Specialist Provision long term plan for a full overview of the programme of study.

KS5 – Students continue to develop their skills through Arts Award Explore. Students will also continue to work towards, and develop their skills in communication. Please refer to the College Thrive long term plan for a full overview of the programme of study.

College Pathway

KS5 Thrive Pathway : Students continue to develop their skills through Arts Award Explore. Students will also continue to work towards, and develop their skills in communication. Please refer to the College Thrive long term plan for a full overview of the programme of study.
