

Our annual 'Moving On Event', is held in the Autumn term. This event is for all parents of Year 9, Key Stage 4 and Key Stage 5. It is important that you attend this event, to help you make decisions with your child, as they move into adulthood.

You will be able to hear short introductions from local colleges that may be possible destinations for your child. You can also meet with a range of agencies who can offer support and opportunities for your child post 16 and 19, in and out of school. The agencies will be able to answer any questions and provide you with advice regarding your child's future. We encourage that you bring your son or daughter along to discuss possible college courses, placements and social opportunities.

Agencies that attend the moving on event are:

Bury People First, Jigsaw, Oakdene Day Care Facility, Persona, Kaleidoscope, Bury SEND, Connexions and Pure Innovations.

The local colleges that attend the event are Elms Bank College, Bury College, Bolton College and Hopwood Hall.

If you miss our moving on event, take the opportunity to visit one of the college open days

Elms Bank College – visits available on request
