

Excellence For All

Through the use of a Recovery Curriculum

Give

Many relationships that were once thriving may need to be invested in and restored. We will reach out to all students, and use these relationships to cushion the discomfort.

Connect

A lot of the previous learning has been had in the community. We will listen to our community and navigate paths to learning accordingly.

Keep Learning

Some learners may be conscious that they have lost learning. At Elms Bank we will show them how we are addressing these gaps and constructing new learning with the students.

Take Notice

Students may have learnt to learn in different ways it is vital that we take this on board at Elms Bank in order to reskill and build their confidence as learners

Be Active

Students will be encouraged to rediscover themselves, and to find their voice. Students will be given the opportunity to explore new learning opportunities and achieve
