## Nurture Pathway – Communications and Literacy

The English curriculum is tailored to reflect the ability of the group and the individual needs of the pupils. Teachers will follow the appropriate Schemes of Work, for example, pupils will follow the Inspire or Explore Schemes of Work if appropriate for their ability. The curriculum will also take account of individual pupils' SaLT targets and communication needs.

## Thrive Pathway – Communication and Literacy

The Thrive Pathway has a bespoke curriculum which focuses on the development of pupils' communication and literacy needs. Please refer to the Thrive Long Term Plan for a full overview of themes covered.

## Specialist Provision – Communication and Literacy

Specialist Provision has a bespoke curriculum which focuses on the development of pupils' communication and literacy needs. The curriculum is tailored to reflect the interests and ability of the group and the needs of individual pupils.  
Please refer to the SP Long Term Plan for a full overview of themes covered.  
KS3 – pupils follow the Explore Pathway with a focus on key skills and communication, to support the developmental needs of our pupils with ASD.  
KS4 – pupils continue to develop their skills in English through ASDAN accreditation called 'Transition Challenge', which is a SEND programme of study designed for ages 14-16 and offers a learner-centred, activity-based curriculum which reflects the needs and interests of our pupils.  
KS5 – students focus on ASDAN accreditation called 'Working Towards Independence'. Through this, students continue to develop their skills in English with a particular focus on communication and sensory experiences.

## College Pathway

### Inspire Pathway :

In Year 12, students have the opportunity to work towards further qualifications, e.g. Functional Skills in English at Entry Level 3/Level 1.

Students continue to develop their skills in Reading, Writing and Spoken Language through the short courses we teach which focus on 'Employability'. The primary purpose of this qualification is to provide our students with the skills they need to become successful employees and to help them overcome barriers to entering the workplace. Explore & Thrive Pathway:

Students follow a bespoke timetable with a focus on applied learning. They continue to develop key skills in reading, writing and spoken language through the different college lessons they access. Students will also continue to work towards, and develop their skills in communication.

Please refer to the College long term plan for a full overview of the programme of study.
