## Sensory/ Thrive/ SP

- Can you move a scarf to the music?
- Roll and explore a ball of your choice to the music-you could share this with a family member.
- Fill a kitchen roll inner with bells or small coins. Cover the ends. See if you can roll this to make sounds.
- Use another tube to vocalise down with a communication partner. Make up your own football chant, using body patting or clapping.
- Dance to the up-tempo music. What movements can you perform?

## Explore/ Inspire/ SP/ Nurture

- Do you recognise any of the music? Can you learn and sing along with a familiar phrase?
- Perform an up-tempo dance to Waka Waka.
- Participate in ball target skills through a simple ball game.
- Which is your favourite song? Make some notes on why this is the case?
- Find out about a football club or player. Make your own poster to showcase your research.
- Find another football themed piece of music and share it with another person.
- Try a Mexican wave with some other family members.

## Fun Facts!

Waka Waka-This Time for Africa

- This was written and performed for the 2010 World Cup by singer Shakira.
- It is about aiming for your goals, like a soldier on a battlefield.

Football Club Anthems

- These songs are used to encourage the football team to do well and to score lots of goals.
- Songs are sometimes adapted to include the name of the team and are used to celebrate pride when supporting a team.
