Drawing figures

Watch the video to find out more about how to draw people then have a go in your sketchbook.

<https://www.bbc.co.uk/programmes/p0114r6f>

?

Drawing perspective

Watch the video to find out more about how to draw with perspective.

Can you have a go in your sketchbook?

<https://www.bbc.co.uk/bitesize/clips/zvq6sbk>

The Next Step

You are now ready to begin your drawing challenge.

Complete the 15 tasks in any order you would like using any media, e.g pencil, pen, collage using old magazines etc.

Don't forget to research into the links suggested and your research can be added to your sketchbook in an inventive way, e.g. could you glue in flip up or pop up pages, could they fold

Some students may prefer to complete the drawing tasks using an Ipad or on computer software such as <https://web.archive.org/web/20160321081212/http://artpad.art.com/artpad/painter/>

I would love to see some your fantastic drawings! Get an adult to email a photo of them to artchallenge@elmsbank.co.uk
We will even get some up on Twitter!
Enjoy & Good luck x
