

# Magical Musical

# Lets start with our Opening number with two lions that you might know called Simba and Nala

- ▶ Make an animal mask using different art resources or print of animal head from the internet. Then stick on some cardboard, cut out eye holes, then with elastic tie around the head or hold the mask up. Then hold an animal parade around the front room and see who can make the best animal noise.

# Next we are off to Baltimore is it night-time there? No it's 'Good Morning Baltimore'!

- ▶ Wacky Hair styles: Put your hair in a wacky hair style such as loads of bobbles or crazy plaits or backcomb with loads of 'Hairspray'.

Where we are off to next you are going to need your umbrellas and your singing voices as we are 'Singing in the rain'!

- ▶ Design an umbrella using a template from online colour it in or take an old umbrella and decorate that with rain drops.

# After a long fun filled day with Mary Poppins in London we need to give our feet a long soak.

- ▶ Get the foot spas out or use a clean washing up bowl with hot soapy water and have a nice sensory foot bath.
- ▶ Explore bubbles. You can use bubble machines or bubble wands to see what colours and shapes you can see and how many you catch and make.

Now we are going to Oz to see if they are having a truly 'Wicked' time with the Wicked witch.

- ▶ Create you best Witches hat. You can print a template from the internet of draw your own. Then decorate with glitter, feathers, paint or felt tips.

Next we are going to a small Greek island where we can dance and sing 'Mamma Mia'.

- ▶ Clear a big space so you can dance and grab all your family to join in for a 'Big family dance off' the person with the best cheesy dance moves wins.

# Let's head of to Imperial Russia where a girl claiming to be the long lost Princess 'Anastasia' is

- ▶ Print out a template of a crown/tiara then decorate with jewels, glitter and sequins. Attach a strip of paper that is long enough to go around your head and place on your head. Then practice your ballroom dancing like royalty.

# We are now heading in to the dessert wait what's that I can see is it a Technicolour Dream coat?

- ▶ Go around your house and find different coloured objects to make your own technicoloured rainbow.

# To finish our magical musical show

- ▶ To finish give your student a nice hand and feet massage with some nice smelling creams use the bubbles as well to give a nice sensory experience Listen to relaxing musical songs.
