

How Many Challenges Can You Complete?

Theme and Focus Area

Students to engage and learn about...

Drama and Dance

Communication

- Listen and respond to the story of the 'Piper man' within your pack
- Explore materials used within the sensory story and make independent choices
- Can you identify/match photos of your friends from the school play?

Cognition

- What shapes can you make using just your body?
- Create a dance routine that may include making different shapes using your body or fabrics/props, practice mirroring or reflection by working with a partner

Humanities

- Step back in time and try out an old traditional English folk dance, use bells and boomwhackers/wooden spoons as props
- Try out traditional Moroccan Shikhat dancing, listen and respond to the music!

Therapies

- Explore a range of textures as part of a relaxation session- coloured scarves or fabrics
- Guided relaxation: try exploring different sensory items on the feet, legs, arms and head. Use a range of creams as part of a hand massage.

Food Skills

- Create a Spanish meal inspired by the Piper man's travels!
- Choose and help to make a traditional English dish, fish and chips?
- Get feedback on your work!

Arts

- Make and decorate your own sock puppet, film a short clip of you using it as part of a performance!
- Design your backdrop to your performance using paints/glitter/materials around the home

Movement

- Complete stretches.
- Listen to the Jambo, Jambo Bwana song, a popular Kenyan song, dance and move along to the rhythm!
- Next, it's time to try the flamenco! Use props as you move to the music!

Parental Feedback/ Comments

Not enough to do? Why not try...

Explore sensory stories on Youtube, visit <http://www.thesensoryprojects.co.uk/covid19-resources> for ideas, use Twinkl for additional sensory stories and resources.

And most of all...have fun!
