How to be involved in Can You Feel the Love Tonight:

1. Play the video of Can You Feel the Love Tonight (Miss Dent's version only)
2. Get a family member to record you singing and signing along
3. Listen through Headphones (so we can only hear your singing)
4. Please take a portrait video and do not crop the video
5. Leave a few seconds on the video before and after your singing
6. Ask a parent to send the video via whats app message to 07526083676 by Sunday 5th July

By sending the video, parents are giving permission for the video to be used
in the public domain
