Nurture Pathway

KS3 and KS4 The Humanities curriculum is not timetabled for this pathway. Aspects of the curriculum are tailored to reflect the ability of the group and the individual needs of the pupils, e.g. sharing where in the world they have visited.

Where students join the main school for some of their lessons, teachers will follow the appropriate Schemes of Work, for example, pupils will follow the Inspire or Explore Schemes of Work if appropriate for their ability. The curriculum will also take account of individual pupils' SaLT targets.

The Whole School engages in an annual 'Humanities day in the summer Term, which forms part of our Arts Week.

Thrive Pathway

KS3, KS4 The Thrive Pathway has a bespoke curriculum which focuses on the development of pupils' communication and sensory needs. The curriculum is taught through 'topics', and aspects of Humanities are linked creatively through topics such as, 'Around the World in 80 Days'. Please refer to the Thrive Long Term Plan for a full overview of themes covered.
