

Complex Needs

Inclusive Pathway For All

Course Outline

Students in Complex Needs classes will continue to explore learning through a sensory curriculum which is personalised to meet their needs and ability level. There will be more emphasis on independence skills and community skills to assist with transition into KS5 Extended Education.

Assessment:

Students will complete units from the Asdan Personal Progress Qualification which will be submitted in Year 11. Students will gain a Certificate for their completed work. This will continue into Elms Bank College where students will complete a Diploma. Students will also complete the Arts Award Discover and units from the AQA Unit Award Scheme. Other qualifications will be considered if and when appropriate as part of a bespoke, inclusive pathway.
