

One-One Parent Sessions with a psychologist

We are offering individual 30-minute sessions for parents to meet with a psychologist and explore ideas to support their child at home.

These sessions provide a friendly, confidential space to share your experiences, talk through what's working well, and consider strategies that can build on your child's strengths and support family life.

- A scheduled time will be emailed to parents in advance
- Spaces are limited, so early booking is encouraged
- Open to parents of children attending any school in the Whitefield area – thank you to St Bernadette's for hosting.

Thursday 25th June

Slots are available from
1.00pm to 4.00pm.

**St Bernadette's RC
Primary School, Abingdon
Ave, M45 8PT**

Please email p.marks@bury.gov.uk to arrange
a 30 minute session
