School & College

Excellence for All

November 2024

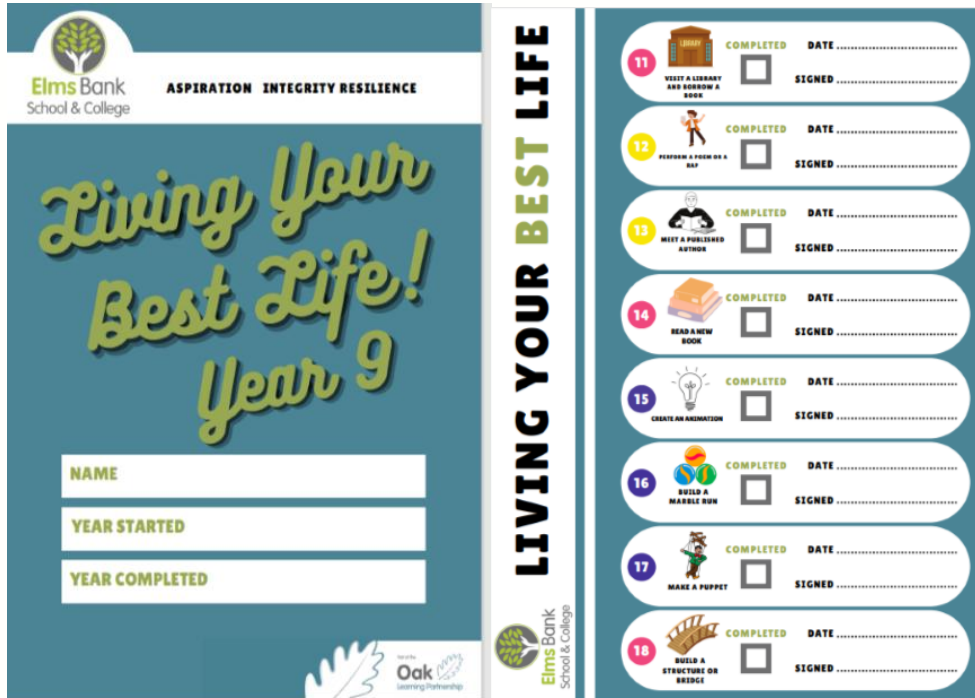

Dear Parents/carer,

I wanted to share an exciting new initiative that we have launched across school and college with the help of some funding from Oak Learning Partnership. We have launched a project called Oak Experiences.

*What are Oak experiences?*

*Oak experiences are real experiences that may be a rite of passage for most children or an experience that creates long lasting memories. Experiences are those that bring engagement with others and the world around them into their lived experience. They are the sort of learning experiences that have long lasting impact.*

We have mapped these experiences for each year group in a booklet called Living Your Best Life. Your child will be able to keep track of these experiences, and they can be shared with you during parent evenings and EHCP reviews.

Headteacher: Mrs Gemma Parkes

Ripon Avenue, Whitefield, Manchester M45 8PJ

0161 766 1597 enquiries@elmsbank.co.uk www.elmsbank.co.uk

Please talk to your child about some of the experiences they are taking part in, from theatre visits to interviewing the headteacher. We will be adding a page to the Elms Bank website with further examples. We hope these experiences will enhance their learning experience and bring lasting memories.

With kind regards

A handwritten signature in black ink, appearing to read 'Alison Morrell', written in a cursive style.
