## **School Uniform**

Dear Parents / Carers,

We are happy to inform you that Elms Bank school uniform can now be bought direct from the 'Goodies Online Shop'. We are hoping that this new service will offer an easier way for you to order uniform, especially through school holidays. Please find attached further details on how to order.

Should you choose to place an order you may then select the option of free delivery to school or alternatively have your order delivered directly to you home address for a standard fee of £6.50. Please note that ties and school badges can only be bought direct from the school uniform shop via Parent Pay as these are considered specialised items. We do have a limited range of uniform stock held at school which can be bought via Parent Pay while stocks last.

Yours Sincerley

Elms Bank
